

Tech Note: Catalog Number Change

XCS 34501 → XCS 34503 • *Xylella fastidiosa* (Xf) AmplifyRP® XRT+

Technical Note

Recently an effort has been on going to simplify Agdia's catalog as much as possible. During this investigation, it was found that Agdia's Xf AmplifyRP XRT+ did not have the same catalog number as the other Xf products. After discovering this discrepancy, it was decided to change the catalog number of Agdia Xf AmplifyRP XRT+ from 34501 to 34503 to match the other Xf products. Please note that this is a catalog number change only. No other changes have been made to the product. For future orders of Xf AmplifyRP XRT+, please use catalog number 34503.
